

VOXX International Corporation to Participate in D.A. Davidson & Co. 4th Annual Consumer Growth Conference

March 8, 2021

ORLANDO, Fla., March 8, 2021 /PRNewswire/ -- VOXX International Corporation (NASDAQ: VOXX), a leading manufacturer and distributor of automotive and consumer technologies for the global markets, today announced its participation in the D.A. Davidson & Co. 4th Annual Consumer Growth Conference. The conference will be held on Wednesday, March 11th and Pat Lavelle, President and CEO of VOXX International Corporation will be participating in a fireside chat hosted by D.A. Davidson at 11:45 a.m. ET. The Company will also be participating in investor meetings throughout the day and interested parties should contact their D.A. Davidson & Co. representative.

Mr. Lavelle commented, "VOXX has delivered strong growth and profitability in Fiscal 2021 and is positioned well in the years to come. We believe we are entering the next phase of growth and see opportunities to enhance our business and drive shareholder value. We also want to thank the D.A. Davidson team for their support and look forward to building our relationship further."

The conference will be hosted virtually and webcast to registered attendees. The Company's fireside chat at 11:45 a.m. ET will be webcast on the VOXX website in the Investor Relations section under Events & Presentations - <https://investors.voxintl.com/events-and-presentations>.

About VOXX International Corporation

VOXX International Corporation (NASDAQ: VOXX) has grown into a worldwide leader in Automotive Electronics and Consumer Electronics, with emerging Biometrics technology to capitalize on the increased need for advanced security. Over the past several decades, with a portfolio of approximately 35 trusted brands, VOXX has built market-leading positions in in-vehicle entertainment, automotive security, reception products, a number of premium audio market segments, and more. VOXX is a global company, with an extensive distribution network that includes power retailers, mass merchandisers, 12-volt specialists and many of the world's leading automotive manufacturers. Safe Harbor Statement

Except for historical information contained herein, statements made in this release constitute forward-looking statements and thus may involve certain risks and uncertainties. All forward-looking statements made in this release are based on currently available information and the Company assumes no responsibility to update any such forward-looking statements. The following factors, among others, may cause actual results to differ materially from the results suggested in the forward-looking statements. The factors include, but are not limited to: the risk factors described in the Company's annual report on Form 10-K for the fiscal year ended February 29, 2020 and other filings made by the Company from time to time with the SEC. The factors described in such SEC filings include, without limitation: the impact of the COVID-19 outbreak on the Company's results of operations, the Company's ability to realize the anticipated results of its business realignment; cybersecurity risks; risks that may result from changes in the Company's business operations; our ability to keep pace with technological advances; significant competition in the automotive electronics, consumer electronics and biometrics businesses; our relationships with key suppliers and customers; quality and consumer acceptance of newly introduced products; market volatility; non-availability of product; excess inventory; price and product competition; new product introductions; foreign currency fluctuations; and restrictive debt covenants. Many of the foregoing risks and uncertainties are, and will be, exacerbated by the COVID-19 pandemic and any worsening of the global business and economic environment as a result. The Company assumes no obligation and does not intend to update these forward-looking statements.
